**Re: Independent Fire Services  
77 Boyne View, Navan, Co. Meath.**

Dear Sir/Madam,

We confirm that Independent Fire Services (IFS) is a sub-contractor of Lynch Interact, carrying out fire safety maintenance works for a number of our Contracts, including:

- Pavilions SC, Swords
- ICON Clinical Research
- Bridgewater SC, Arklow
- Gaiety Centre, South King Street, Dublin
- Leo Pharma
- Liffey Valley SC

We consider that we have an excellent working relationship with IFS, who have carried out all their work for us in an efficient, competent and trustworthy manner and we therefore would have no hesitation in recommending them for similar works.

If you have any queries, please do not hesitate to contact us.

Yours faithfully,

  
Philip Murphy  
Managing Director
